HONMA GOLF CO., LTD.

HONMA GOLF CO., LTD. (head office: Roppongi Hills Mori Tower 35F, 6-10-1 Roppongi, Minato-ku, Tokyo; representative director & president: Yasuki Ito) signed a contract for the use of clubs and articles with professional golfer Shanshan Feng, who scored two straight wins of the BUICK CHAMPIONSHIP in Ladies European Tournament which took place in Shanghai Qizhong Garden Golf Club.

Shanshan Feng started top-tie with Na-Yeon Choi, the game continued seesawing between the two. At the second last hole, Na-Yeon Choi was leading by 2 shots, but Shanshan Feng did not give up and played boldly, taking birdie at the 17th hole, while Choi bogeyed the 18th hole, and the game entered a playoff.

On the first hole of the playoff, while Choi misses the birdie putt, and misses again on the following putt, Feng scores her 3m long birdie putt, exciting the gallery and achieving her title two years in a row.

Meanwhile, in ladies domestic tours, Hoken No Madoguchi Ladies was held. Although we were unable to win the title, 3 players were awarded within the top 10, namely, Ha-Nuel Kim and Lee Bo-mee ranked second-tie, Ritsuko Ryu ranked 4th.

In the course of aspiring to win thirty tournaments worldwide this year, TEAM HONMA will once again demonstrate the advantages of our TOUR WORLD x VIZARD clubs on tours around the globe during this season. We hope that you will continue to support TEAM HONMA as we endeavor to reach our goal.

I'm very excited to retain the title!

When I was behind by 2 shots near the end, I still trusted myself and played my best, but I didn't exactly expect to win...

From the start of this season, I started using new driver and new irons (changed from TW717 to TW727).

Especially the driver (TW727 455 PROTO) gives increased initial velocity, making the distance longer by at least 8 yards.

I have also changed the shafts to VIZARD YC55, which also suits me very well.

With HONMA TOUR WORLD x VIZARD, I will try my best to achieve a gold medal in Rio Olympics!

I appreciate your continuous support.
