

**「TEAM HONMA」 Lee Bo Mee Won The Inaugural Century 21  
Ladies Golf Tournament  
Second Japan Tour Title This Season.  
With TOUR WORLD×VIZARD**

HONMA GOLF CO., Ltd. (Head office: Roppongi Hills Mori Tower 35F, 6-10-1 Roppongi, Minato-ku, Tokyo; Representative Director & President: Koji Nishitani) clubs and article use contracted professional golfer Lee Bo Mee won the inaugural Century 21 Ladies Golf Tournament in Izunokuni, Shizuoka Prefecture, on Sunday for her second Japan tour title this season.

Lee started the final round in second place---

one stroke behind Wei Yun-Jye of Taiwan, but shot a two-under 70 to finish at 11 under for a two-shot victory, secured her 7th career JLPGA victory. Her seventh Japan tour overall earned her ¥10.8 million in prize money.

Although she had concerns about her strokes in unstable condition this week, she has added Beres W105P wedge 48 deg. which eased the second shot and made a 120 yards accurate shot, grabbed birdy in the first holes.

Lee then scored 2 birdies in 4th and 6th hole with an amazing approach shot, and even though she played the game in the worst situation driven by a strong wind, she managed to stay in top and won.

Lee has managed to keep her position over 10th in past 11 games which proves strength and trust of our "TOUR WORLD×VIZARD" clubs.

She is now JPY7.25M behind the top and within real striking range for prize money Queen this year.

## Her comments:

I am really glad to achieve the second victory this season.

As I have Honma to support me at all time, like adjusting my clubs to what I demand instantly. This support gave me a great confidence in my clubs and this means a lot.

Still I've been having a hard time to stabilize my shot on the first day, but gradually I was able to play with confidence. Particularly the long and accurate shot with #5W in the 16th hole was the decisive factor of winning this tournament. I will do my best to become

the prize money Queen and I will need all your support and continuous encouragement!
