Honma Golf Co., Ltd.

Honma Golf Co., Ltd., (head office: Roppongi Hills Mori Tower 35F, 6-10-1 Roppongi, Minato-ku, Tokyo; representative director & president: Yasuki Ito) signed a contract for the use of clubs and articles with professional golfer Ha-Na Jang, winner of the Coates Golf Championship Presented By R+L Carriers on the LPGA Tour (February 3 to 6) at the Golden Ocala Golf and Equestrian Club, Florida.

This was her first career victory on the LPGA Tour.

Finding herself tied for the top spot at the beginning of the final day of the tournament, Ha-Na Jang faced with difficult course conditions due to harsh rainy weather. Nevertheless, she managed to sink a birdie on the final hole for a final 11-under score to win, by two strokes over the runner-up, her first-ever LPGA tournament. Ha-Na Jang began participating on the LPGA Tour last year, which turned out to be a season of frustrations brought on by four second-place finishes in tournaments where victories seemed constantly just slightly beyond her reach.

This year, Ha-Na Jang maintained her excellent form since the season began. On the third day of the season-opening Pure Silk Bahamas LPGA Classic, she managed to successfully hit the first-ever albatross (3-under on a given hole) on a par-4 hole in LPGA history (using the TW727 3W club). With her latest win, she stands atop the prize-money ranking and is expected to make further great strides as the season progresses.

Given that TEAM HONMA is striving to win thirty tournaments worldwide this year, Ha-Na Jang's win is the first of the young season for TEAM HONMA. The advantages of our TOUR WORLD x VIZARD clubs will once again be demonstrated on tours around the globe during the 2016 season. We hope that you will continue to support TEAM HONMA as we endeavor to reach our goal.

I want to thank all of my fans for always supporting me. My TOUR WORLD clubs accommodate my desire for carry performance when I use my 1W club and for accuracy when it comes to my iron. In particular, I find that I can hit with my iron with an even greater sense of ease and comfort than I did last year. I am confident in the flexible sensation that I get when I hit the ball and the shot control that I can exert in all directions. My third stroke on the final hole was executed exactly as I had visually planned beforehand.

Please continue to root for me as I will strive hard to bring you further reports of victories in upcoming tournaments.
