Her comments:

I am really glad to achieve the third/my victory this season.

I was not able to readily make use of a chance of the first nine, but in the back nine, my shots were improved and was able to win.

The setting of my club is perfect, and this gave me a great confidence and I was able to swing with ease.

Particularly the wedge I was using during the last game, Century 21 Ladies Golf Tournament, is my favorite. With an accurate shot, I hit many birdies and resulted to 2 victories with this wedge.

I will do my best to win the championships and I will need all your support and continuous encouragement!
