## Bo-Mee Lee wins her second tournament of the season to become the fastest player in history to surpass 100 million yen in earnings!

Ha-Na Jang also wins a championship on the KLPGA Tour to earn TEAM HONMA's eighth title of the season

Honma Golf Co., Ltd., (head office: Roppongi Hills Mori Tower 35F, 6-10-1 Roppongi, Minato-ku, Tokyo; representative director & president: Koji Nishitani) signed a contract for the use of clubs and articles with professional golfer Bo-Mee Lee, winner of the Earth Mondahmin Ladies Cup on the JLPGA Tour (June 25 to 27) at the Camellia Hills Country Club, Japan. Bo-Mee Lee won her second tournament of the season for her tenth lifetime title on the tour. Through this victory, she became the fastest player in history to surpass 100 million yen in earnings this season.

The final day began with a crowd of five players tied atop the leaderboard. Having secured birdies on the fourth hole, Bo-Mee Lee rushed headlong into a playoff round with Ji-Hee Lee. Both players shot for par on the first hole before proceeding to the second hole. After two strokes and a perfect shot with her third stroke, Bo-Mee Lee magnificently used her wedge from seventy yards out to bring the ball to within approximately thirty centimeters of the pin. By securing a birdie immediately thereafter, Bo-Mee Lee won her second tournament of the season for her tenth lifetime title on the tour and managed to cumulatively earn 100 million yen for the year to date.

Bo-Mee Lee indicated that her goals for this season are to win five titles this year and become the prize money queen. To this end, she has finished in the top two in four tournaments in a row and has had a top-ten finish in eleven out of the seventeen tournaments held so far this season, including two victories. Thanks to these successes, she finds herself standing alone on top of the JLPGA money list by nearly 40 million yen ahead of her nearest rival. Two weeks later, she resumed her pursuit in the second half of the season.

In addition, Ha-Na Jang emerged victorious for the first time this season at the BC Card-Hankyung Ladies Open on the KLPGA Tour. Last week's victories by Bo-Mee Lee and Ha-Na Jang gave TEAM HONMA, which is aiming to win twenty-five titles worldwide this year, eight cumulative victories thus far. The advantages offered by TOUR WORLD x VIZARD clubs will continue to be demonstrated in tours around the globe.

### Comment

*Thanks to all the fans who root for me day in and day out, the tremendous backing provided by HONMA GOLF, and the encouragement of a host of other people who have been in my corner, I was able to win my second title at such an early stage of the season.*

*This season, I've been having some great success with my driver (TW727 455), such that my balls are flying on the intended trajectories without veering and have been kept within the fairway without fail. This has allowed me to hit balls from my second shot onwards on each hole with true peace of mind and given me the freedom to be creative in approaching each hole.*

*I will continue to work hard towards winning my fifth tournament of the season and maintaining my status as the prize money queen. I respectfully ask that you continue to support me.*
