

- TEAM HONMA aims to win 25 titles worldwide for Tour 2015 -

Bo-Mee Lee comes from behind to win a tournament for the second year in a row and earn her first victory of the season!

TW727 has contributed significantly to each of the four victories earned by TEAM HONMA this year.

Honma Golf Co., Ltd., (head office: Roppongi Hills Mori Tower 35F, 6-10-1 Roppongi, Minato-ku, Tokyo; representative director & president: Koji Nishitani) signed a contract for the use of clubs and articles with professional golfer Bo-Mee Lee, winner of the Hoken No Madoguchi Ladies on the JLPGA Tour (May 15 to 17) at the Fukuoka Country Club, Japan.

Lee defended her title at this tournament by winning it for the second year in a row making her the only back-to-back winner of the tournament.

Bo-Mee Lee began the final day of the tournament in second place, one stroke behind the leader, Jae-Eun Chung, who also began participating in the LPGA tour this season with TEAM HONMA. Lee took over in first place with a birdie on the fourth hole and extended her score with back-to-back birdies on the sixth and seventh holes to maintain her position at the top of the leaderboard. She continued to play perfect golf on the back nine to shoot 10-under for a tournament-best total score of 66 and defeated the second-place finisher by 4 strokes.

With four consecutive second-place finishes this season, Bo-Mee Lee has been steadily performing at an exceptional level and began this tournament at the top of the JLPGA money list. Her first victory of this season represents a considerable boost towards achieving her goal of becoming the prize money queen this year. Bo-Mee Lee finds herself wearing five different crowns at the moment as leader of the JLPGA money list and as the top-ranked player in terms of the Mercedes ranking, average stroke count, par ratio, and average birdie count (as of May 18).

Tour World X VIZARD clubs contributed to the win earned by Bo-Mee Lee at this tournament. Aspiring to secure twenty-five titles worldwide this season, TEAM HONMA has already achieved four victories and will continue to demonstrate the clear advantages offered by Tour World X VIZARD clubs on tours around the globe.

I was able to achieve victory thanks to the support of all of my fans. Thank you very much!

I was under some pressure as the defending champion in this tournament. The tournament course is also characterized by a narrow fairway that doesn't disappoint in terms of how challenging it can be. I was able to play at ease, however, since my drivers this year were especially terrific and my irons allowed me to put a spin on balls in exactly the way that I had intended. There were indeed many moments when my clubs truly saved the day for me.

I respectfully ask that you continue to cheer me on in my quest to become the prize money queen this year.
