

Yoon-Kyung Hea wins 2nd victory on 2014 KLPGA Tour

Oct 31 – Nov 2 Seoul Economic Daily Ladies Classic

**Team Honma achieves four victories on the South Korea tour
and 12 on the 2014 world tour!**

Yoon-Kyung Hea, a professional golfer having signed a product use contract with Honma Golf Co., Ltd. (president & representative director: Koji Nishitani), beating Kim Hyo-joo on the first playoff hole and won the 2014 KLPGA Tour Seoul Economic Daily Ladies Classic. Heo achieved the second victory this season.

This contributed to Team Honma's four victories in South Korea (respectively one by Seung-Hyun Lee and Jung-Gon Hwang, and two by Yoon-Kyung Heo) and the total 12 victories on this year's world tour.

After having signed the contract this season, she achieved two victories with her stable shots and performance and has been always in the top 10. She's currently in fifth place in the prize money ranking. Her good performance is partly because her average carry of the driver advanced to sixth place (262.51 yards) this year, up from 21st (255.92 yards), and this has been one of the biggest factors for the success in recent tournament.

I signed a sponsorship contract with Honma Golf this year and am very happy about my two victories. Out of gratitude to Honma Golf, I will try my best in the remaining two tournaments to place higher in the prize money ranking.
