

TEAM HONMA secures 13 victories on the world tour in 2014! Shan-Shan Feng wins 2nd victory Tour World x VIZARD

HONMA GOLF Co., Ltd., (head office: Roppongi Hills Mori Tower 35F, 6-10-1 Roppongi, Minato-ku, Tokyo; representative director & president: Koji Nishitani) signed a contract for the use of clubs and articles with professional golfer Shan-Shan Feng. At the Ladies European Tour Omega Dubai Ladies Masters tournament (between December 5 and 8 at the Emirates Golf Club, United Arab Emirates), Feng won her second tournament of the season. With this victory, TEAM HONMA secured its 13th victory on the world tour.

Having already won this tournament once before in 2012, Shan-Shan Feng dominated this time to earn a sweeping victory with a 19-under total score compiled over a period of four days. She is just the second player and the first since Annika Sörenstam to win this tournament twice. Following on the heels of her victory at the Sime Darby LPGA Malaysia tournament (part of the USLPGA Tour), Shan-Shan Feng moved up to sixth position on the USLPGA money list and up to fifth on the Rolex rankings (December 15).

Thanks in part to Tour World x VIZARD (which was conceived in response to a wide range of feedback from professional golfers), TEAM HONMA managed to secure 13 victories in all this season. In January 2015, the TW727 Series, a second-generation version of Tour World x VIZARD, will go on sale. The strengths of Tour World X VIZARD will be demonstrated on the world tour next season. We invite you to pay greater attention to the battles waged by TEAM HONMA on the links.

Comment

Thank you for your support. I am so pleased and excited to know that I am apparently the first golfer to win the Omega Dubai Ladies Masters twice since Annika Sörenstam did the same thing earlier. Without HONMA clubs, I would not have been able to earn these or any other victories. It is with great pride that I count myself a member of TEAM HONMA. Thank you.
