HONMA GOLF CO., LTD.

HONMA GOLF CO., LTD. (head office: Roppongi Hills Mori Tower 35F, 6-10-1 Roppongi, Minato-ku, Tokyo; representative director & president: Yasuki Ito) congratulates Tour staffer Ha Na Jang on winning the LPGA Tour's ISPS HANDA Women's Australian Open this past weekend at the Royal Adelaide Golf Club in Seaton, South Australia.

On the final day, Ha Na started four shots behind but steadily closed the gap while the other top players were struggling with strong winds. She had an eagle and three birdies over her last six holes in a superb Sunday finish that set up a three-shot victory.

She relied on her TW 737V irons for stable shots in the wind. The clubs have been a major factor to her success, dating back to last season. She now occupies the No. 5 spot in the Women's World Golf Rankings.

Winning the first challenge of the 2017 season tournament was an auspicious start for her, and also gave momentum as TEAM HONMA's first victory this season. TW 737 x TEAM HONMA will prove the high performance and strength on tours all over the world again this season, and we are hoping for your continuous support of TEAM HONMA as well.

### **Comment from Ha Na Jang:**

“This tournament was the opening event for me. I was really nervous on the first hole Sunday and started with a bogey. But my caddy kept reminding me to be patient, and I started getting pars. On the back nine, I was able to really control my TW737V irons, which helped me make up strokes, grab the lead, and win this event. I trained very hard in the off-season, so I’m really excited about how it will help me perform this season!”
