For this tournament, I relied heavily on my UT club, which helped me immensely to lower my score. Even it was my first try of them, I have felt that my TOUR WORLD UT clubs are a perfect fit for me in terms of my sense of distance, accuracy, and intuition.

I believe that my ability to hit the ball in a way that felt good to me even when I encountered difficult pin positions on the last day of the tournament contributed to this victory.

I truly trust my TOUR WORLD clubs to let me play my current brand of golf with affection and hit balls with tremendous accuracy!
