TEAM HONMA earns its twelfth victory of the season

For the first time in the history of the JLPGA Tour, Bo Mee-Lee secures victories in two consecutive weeks. She accomplished this by winning her fourth victory of the season!

She dominated the playoff round up to the fifth hole and is in sole position of the top spot on the JLPGA money list in her quest to become crowned as the prize money queen for the first time in her career.

Honma Golf Co., Ltd., (head office: Roppongi Hills Mori Tower 35F,6-10-1 Roppongi, Minato-ku, Tokyo; representative director & president: Koji Nishitani) signed a contract for the use of clubs and articles with professional golfer Bo Mee-Lee, winner of the GOLF5 Ladies Tournament on the JLPGA Tour (September 4 to 6) at the Mizunami Country Club in Gifu, Japan.

Having stayed at the top of the leaderboard since the first day, professional golfer Bo Mee-Lee began the final day in sole position of first place. Unable to extend her lead after sinking four birdies and two bogeys, Lee ended the day at 11-under alongside professional golfer Misuzu Narita, who managed to mount a charge with a 7-under final-day performance.

On the second playoff hole, professional golfer Misuzu Narita hit for par first. Despite the pressure of the moment, Bo Mee-Lee sunk a five-meter putt from the collar to demonstrate her fierce desire to win. After subsequently extending this playoff round to the fifth hole, professional golfer Bo Mee-Lee earned her fourth victory of the year and personally winning a career-first second week in a row. Her dominant victories in two consecutive weeks occurred for the first time ever since the JLPGA Tour was inaugurated in 1988.

Professional golfer Bo Mee-Lee had indicated that her goals for this season are to win five titles and become the prize money queen. She is ahead of the second-place golfer on the JLPGA money list by about 58.44 million yen. Lee is in sole position of the top of this list with a pace of earnings that could feasibly see her surpassing the 200 million yen mark for the first time in history. Professional golfer Bo Mee-Lee aims to become only the second golfer in history to win for the third week in a row. To this end, she will wield her TOUR WORLD x VIZARD clubs to play in the upcoming Konica Minolta Cup, a JLPGA major champions hip tournament.

As we aim to achieve twenty—five victories worldwide, TEAM HONMA has twelve victories under its belt thanks to wins by professional golfers Bo Mee-Lee. The advantages of TOUR WORLD x VIZARD will continue to be demonstrated in tours held around the world.
